

Firm Sponsorship Opportunities 2020-21

We offer many packages to fit your needs.

Who We Are.

MDTC is an association of the leading lawyers in the State of Michigan dedicated to representing individuals and corporations in civil litigation. As the State's premier organization of civil litigators, the impact of MDTC Members is felt through its Amicus Briefs, often filed by express invitation of the Supreme Court, through its far reaching and well respected Quarterly publication and through its timely and well received seminars. Membership in MDTC also provides exceptional opportunities for networking with fellow lawyers, but also with potential clients and members of the judiciary.

Why Partner with the MDTC?

In today's fast paced and busy work environments, making personal connections with potential clients is hard. Partnering with the MDTC provides your company access and valuable networking with top litigators from across Michigan in a less formal yet professional environment.
