What others are saying?:

"Having been a member of MDTC for over 25 years, I have seen many changes in both the law and the organization. The one thing that has remained constant is the value of the educational and networking opportunities that the MDTC has afforded me. This has been a steadying influence in a career that has spanned 40 plus years. I would recommend membership and it's benefits to all of the defense bar."
- Tim E. Belanger, Michigan Municipal Risk Management Authority

"I joined MDTC as a new attorney and when I attended my first MDTC winter meeting I was impressed with the breadth of information provided and the caliber of the speakers who presented. Since that time, I have made it a point to attend as many events as possible. I find that the general membership, as well as the board and MDTC's staff, are very welcoming. My connections are proving to be very useful in navigating the legal profession and I know I can call on many of the people I have come to know through MDTC for advice or help with other activities I am involved in. It's by far one of the most valuable memberships I have had since beginning my practice."
-Samantha Orvis, Garan Lucow Miller, PC
