THE EXCELLENCE IN DEFENSE AWARD

I. History and Purpose

Established in 1992, the Annual Michigan Defense Trial Counsel (MDTC) "Excellence in Defense Award" is designed to honor those civil defense counsel who have over a number of years through their professionalism, intelligence, creativity, judgment, personality, sensitivity, civility, advocacy skills, community involvement and efforts to educate younger attorneys, promoted the practice of the defense bar and the representation of their clients both in and outside of the courtroom. It also recognizes contributions beyond their normal roles as an advocate.

Your participation in the nominating process is vital, and ensures that all of those who deserve recognition will have the opportunity to be duly considered for this prestigious award.

II. Nomination Process and Format

The sponsor of a nominee must be a current MDTC member in good standing. The sponsor may nominate anyone who meets the following criteria:

- (1) the person has spent at least 75% of his/her time in the defense of civil lawsuits;
and
- (2) the person has not spent more than 10% of his/her time representing plaintiffs in civil lawsuits.

It is not necessary that the nominee be currently living and/or practicing law.

To ensure the individual given the Excellence in Defense Award is worthy of this honor, the Board of Directors has adopted criteria that will be considered in both nominating, and selecting, the honoree. The criteria are as follows:

- A. Number of cases tried or in which appeals were handled.
- B. Creativity and intelligence in the handling of defense matters.
- C. Advocacy skills as reflected in the defense of complex legal matters.
- D. Good judgment in the preparation of trial matters and appeals.
- E. Civic, community and bar activities.

Any materials supporting a nomination should include a completed (see attached) one page nomination form. Please send all of the nomination materials to the following address:

III. Procedure for Selection of Award Winner and Presentation of Award

- A. A committee entitled Awards and Nomination Committee for Excellence in Defense Award shall be selected by the Board of Directors to review all nominations submitted by any MDTC sponsor. From the nominations submitted, the nomination committee shall select the five most deserving candidates as semi-finalists for the award.

- B. The names of the five nominees along with the memorandum relating to the action taken by the nomination committee, shall be submitted to the past presidents to review and then select three finalists for the award. A memorandum reflecting the action of the past presidents shall then be submitted to MDTC's Board of Directors for selection of the award winner.
